

### Dry Cured Hams

To produce a perfect Dry Cured Ham is a work of art! RAPS presents to you a wide range of flavourings and functional ingredients for dry cured ham which guarantee fast and reliable colour development and perfect curing abilities

### Pâtés & Liver Sausage

Pâtés and Liver Sausage are very popular specialities all over the world. RAPS has products and recipes for fine and coarse versions and offers fantastic recipe ideas

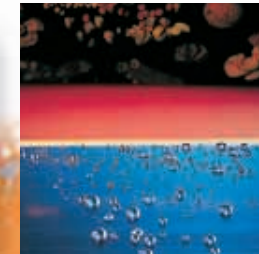

### Dairy Products

RAPS provides seasoning blends and herbs for butter variations, cream cheese, yoghurt, milk drinks, crème fraîche, mayonnaise and many more

### Extract Seasonings

RAPS have their own supercritical extraction plant which produces solvent-free extracts. These extracts are available in their purest form. They are also used in the seasoning blends to reduce usage rates. Liquid extract seasonings are available for use in all food products

### Raw Sausage

Dry Salami, Pepperoni and spreadable raw sausage are all easy to produce with RAPS' seasonings, starter cultures and recipes. We have the concept for your perfect raw sausage

### Fish

RAPS can provide a wide range of seasonings and marinades for all types of fish products. A concept to add value to fish was prepared by our specialists

### Bakery Products

Whether you produce loaves, rolls, cakes, pastry or filled pastries, RAPS has the right seasoning or compound for all products

### Marinades

Convenience food remains the trend with a very promising potential. Achieving quick and inexpensive preparation of high quality dishes is as important to consumers as appearance and flavour variety. RAPS has therefore created a wide range of marinades, seasoned sauces and spiced oils

# Food Flavours Are Very Diverse!

RAPS supplies an almost unlimited number of flavour concepts to the entire food industry all in accordance with our motto „Flavour for Your Success“. No matter what type of business, RAPS has the right flavour profile - the best flavour solution for every challenge.

### Barbecue Ideas

The finest decor seasonings, sauces and marinades for a successful barbecue season are available for steaks, chops, spare ribs, chicken wings, grill sausage, burgers and fish specialities

### Cooked Ham, Chicken & Turkey Roll, Pastrami

If cooked hams or chicken & turkey rolls are important to you, we may have just what you are looking for: a complete range of injection brines for added yields of up to 130 %. The brines are cost efficient and economical and contain only high-quality ingredients, colour development agents and a well-balanced flavour profile

### Decor Seasonings

With more than 30 decor seasonings RAPS can offer the right decor for every application. The colourful range provides flavour without salt, with conventional salt, or encapsulated salt. Encapsulated salt with a vegetable fat coating takes effect only after the meat is sealed during roasting or grilling

### Ethnic Products

Ethnic food should be authentic. Not only should the recipe be as close to the original as possible, but the ingredients and especially the flavouring should also reflect the food culture of the country of origin. RAPS has developed an Ethnic range which includes flavours from the Mediterranean, USA/Caribbean, China, Japan, Thailand/Malaysia/Indonesia, Mexico, India and Arabia

### Food Service and Catering

The RAPS' range for the professional caterer and chef includes the finest seasonings for all types of meat and fish, soups, instant sauces, kitchen-ready products, marinades, Ethnic food, bouillon and flavour enhancers, salad dressings, desserts, herbs and extract seasonings.

### Salads & Dressings

Tailor-made seasonings for all types of salad dressings, mayonnaise and dips can be obtained from RAPS. We have the perfect solution to your requirements

### Cooked Sausage

The reason why Germany is called „Sausage Paradise“ is surely not only because of the quality of the sausage, but also the variety. RAPS, as one of the leading sausage seasoning manufacturers in Europe, not only provide a wide range of seasonings but also the technology, which is based on the long experience of German master butchers

### Confectionery & Sweets

We will develop the flavour profile for your next best-seller. Whether you require microencapsulated ingredients and flavours or seasoning blends, RAPS has the answer
